

A Level Results 2018

Join us at St John's College in the quest for Sixth Form success

Fantastic 2018 results: A* - 32% A/A* - 65.3% A*/B - 86% Pass rate - 100%

St John's College has achieved an enviable reputation both in Wales and amongst the top independent schools in England as a centre of academic excellence. We remain committed to our aim of providing the best possible education for our girls and boys as they become young women and young men, embracing all that life has to offer with passion, commitment and integrity.

Of this year's fantastic results, Headmaster Mr Shaun Moody said: "We are absolutely delighted for our students. These results are a testimony to both the students' exemplary work ethic and their teachers' resolute commitment to support each and every pupil. Many congratulations to the Class of 2018!"

The school's strong, close-knit family community ensures that all pupils and students receive the care necessary to develop their full potential. Indeed, Estyn inspectors have observed that "The school's provision for care, support and guidance is of a high quality... This level of support makes an exceptional contribution to pupils' high standards, wellbeing and attitudes to learning." (Crown Copyright 2018)

September 2018 sees the opening of our **new Sixth Form Centre** at Eastern Business Park. This new facility will provide additional teaching space in a modern, professional environment. In addition to purpose-built classrooms, a new common room and study-resource area with high-speed Wi-Fi will greatly enhance the Sixth Form experience, creating an environment that is conducive to learning whilst allowing our students greater independence.

St John's College has a distinguished record of success with University admissions. Specialist mentoring and one to one guidance are offered so that students are fully supported with their subject choices, UCAS personal statements, university choices and ultimately career paths. The school has an outstanding reputation for gaining places at first class universities. This year one third of the grades awarded were A* which is a truly outstanding achievement for our students, many of whom will be proceeding to Oxbridge and top Russell Group Universities.

Sixth Form Students are encouraged to participate in a range of activities aimed at augmenting their educational experience. There is ample opportunity to engage in public speaking and debating, the Duke of Edinburgh's Award, a wide range of sports and volunteering. In the performing arts, students have the opportunity to become fully involved in the staging of senior dramatic productions, LAMDA and our award-winning concert orchestra. They can also take an active role in our student council and Sixth Form prefect system, as well mentor and advise younger pupils and become inspiring role models.

You are most welcome to arrange a visit to attend our Sixth Form Open Evening, Tuesday, 9th October 2018 from 4.30pm to 7.00pm where you will find enthusiastic Sixth Form students and teachers willing to discuss the remarkable provision made for academic success in our enhanced Sixth Form. Alternatively, you are welcome to attend our Open Afternoon on Tuesday, 13th November from 2.00pm.

Contacts: email admin@stjohnscollegecardiff.com or telephone 029 2077 8936 to book an exploratory appointment (bring the family along if child-minding is a problem).
